Colorado National Golf Club
2700 Vista Parkway | Erie, CO 80516

Opened: 2003
Superintendent: Rob Neuhauser, GCSAA
Designer: Jay Morrish

The golf course at the Colorado National Golf Club is an 18-hole, public course that is situated just 20 minutes north of Denver. Jay Morrish designed the formerly known as Vista Ridge golf course with a traditional links-style layout. The course covers 7,676 yards of golf from its longest tees and plays to a par of 72. Rolling fairways lined with native grasses and large, undulating greens make the golf course interesting, while beautiful views of snow-topped mountains provide pleasant scenery. The course has many bunkers as well as water hazards. Colorado National Golf Club also features five sets of tee boxes for golfers to work on a number of different handicaps. Colorado National is the exclusive golf course of the University of Colorado's men's and women's golf teams.
